Clean sinks

Empty all waste containers and put new plastic trash bags in containers

Clean refrigerator and cooler

Sweep and damp mop kitchen floor

Clean kitchen rugs (vacuum or sweep clean)

Arena

Clean off concrete if your use causes dirt or manure to be deposited on the concrete

If a user has not cleaned and performed tasks as required above, custodian will clean the area used by the scheduled user, record the time required to clean the area so that the costs for the custodian's cleaning time can be charged to the specific user responsible. A user's continued use of the facilities and the return of said user's damage deposit will be dependent of their prompt payment of any such custodial charges incurred. Custodian will report extra required cleaning time to the Office of the County Administrator so that the appropriate billings can be charged to the responsible user. Custodian will coordinate closely with the Secretary to the County Administrator to obtain user scheduling information.
